

## APPREZZATE DA SECOLI, SEMPRE IN FIORE

Teofrasto, un allievo di Aristotele, le adorava. Confucio, il grande filosofo, ha composto poesie su di esse. Per secoli, le orchidee hanno trovato la loro strada nel cuore di molte persone e oggi la trovano nel tuo. Mentre altre orchidee richiedono alti livelli di attenzione, l'Orchidea LEGO® prospera anche con poca luce, non richiede un'umidità estrema ed è probabilmente molto più facile da far fiorire.

I tre modelli non possono essere costruiti simultaneamente.

## **I FIORI, COME PIACCIONO A TE.**

Con sei fiori standard e due boccioli più piccoli, è possibile regolare la lunghezza degli steli, ruotare le radici e le foglie e creare nuove composizioni semplicemente posizionando i fiori come vuoi tu.

## IL DESIGN TEAM

Mike progetta prodotti LEGO® da oltre 9 anni. Creare la geometria del vaso è stata una delle sue sfide preferite in questo modello. *"Progettare orchidee in un vaso scanalato blu sabbia, che non sono solo divertenti da costruire ma anche belli da guardare, è stata una sfida avvincente per me. Mi sono ispirato alle vere orchidee, ovviamente, ma devo dire che prendersi cura dell'Orchidea LEGO è molto più facile ed è certamente molto più divertente da avere in casa".*

**Michael Psiaki, Design Master**

# COLTIVA LA TUA COLLEZIONE CON I MODELLI LEGO® BOTANICAL

Il nucleo del vaso è una versione modificata del nucleo usato nella grande torre del set Castello di LEGO® Hogwarts™ — la professoressa Spruce ne sarebbe entusiasta.

Gli scudi delle minifigure originariamente sviluppati per la linea LEGO® Castle del 1995 sono stati usati per i sepali dell'orchidea.

2x

Le orchidee sono spesso messe in vaso con del paccame per agevolare la circolazione dell'aria e il drenaggio, per radici sempre in salute. Qui, il paccame è realizzato con elementi di artiglio dei set LEGO® NEXO KNIGHTS™.
