« C'est lui : l'Œil. »

– Frodon Sacquet

LA TOUR SOMBRE

 Dans la trilogie *Le Seigneur des anneaux*, nous avons un premier aperçu du pouvoir de Barad-dûr™ quand Frodon Sacquet enfile par hasard l'Anneau unique sur son doigt. Incarnation du Seigneur noir Sauron™, l'Œil de la forteresse macabre fend le ciel sombre du Mordor™ et s'insinue dans l'esprit de Frodon à travers une terrifiante vision. Au fil des siècles, Sauron a acquis suffisamment de force pour s'emparer de la Terre du Milieu. Nourri par le pouvoir de l'Anneau unique, Sauron, à l'instar de sa forteresse, est quasiment indestructible tant que l'anneau existe.

Les héroïques Hobbits™ rejoignent la Communauté de l'Anneau dans le cadre d'un périple exténuant visant à détruire l'anneau au cœur du Mordor. Alors que Samsagace Gamegie porte Frodon dans la dernière ligne droite en direction d'une porte sur le flanc de la Montagne du Destin, un Gollum™ affolé essaie de les arrêter et finit par périr dans les flammes avec son précieux. Barad-dûr, Sauron et son armée d'orques se désintègrent dans un effondrement cataclysmique.

Inspiré d'un monument énigmatique, ce modèle reconstitue de remarquables détails et offre une perspective unique sur les événements qui ont pu se produire dans les coulisses du Mordor.

LE MESSAGE DE LA COMMUNAUTÉ DE DESIGN LEGO®

👁 « Notre aventure LEGO® en terre du Milieu a commencé par une série de sets Le Seigneur des anneaux et Le Hobbit™ lancés en 2012-2014. En 2023, nous nous sommes rendus à Fondcombe avec la Communauté de l'Anneau (set 10316). C'est la première fois que nous explorons les profondeurs du Mordor™ pour entrevoir le repaire du Seigneur noir, et c'est aussi la première minifigurine LEGO que nous lançons à l'effigie de Sauron™. »

« Pour les fans des romans et des films *Le Seigneur des anneaux*, Barad-dûr™ est l'un des lieux les plus caractéristiques de la Terre du Milieu. Dans les films, on voit très peu la tour en entier et son intérieur de près. Nous avons donc expérimenté à partir de différentes scènes et idées. Le modèle étant assez grand, nous l'avons divisé en différentes sections qui offrent une meilleure expérience de construction et qui permettent de le manipuler plus facilement. »

« Puisque le modèle est très sombre, nous avons ajouté des dégradés de couleur qui donnent l'illusion de reflets de lave, avec l'Œil de Sauron™ mobile qui voit tout au sommet. Le modèle est doté de plusieurs fonctions différentes, de l'ouverture des portes d'entrée à l'échelle qui tourne dans la bibliothèque, en passant par des sections cachées, des accessoires surprises et les secrets de la Tour sombre. Nous espérons que les fans de sets LEGO comme ceux du *Seigneur des anneaux* auront plaisir à explorer cet impressionnant monument du Mordor. »

*Antica Bracanov,
Senior Model Designer LEGO®*

LA FORGE ET LE DONJON

 Votre modèle LEGO® de Barad-dûr™ se divise en plusieurs niveaux modulaires. Au rez-de-chaussée, vous pouvez tourner le bouton sur le côté gauche de la tour pour ouvrir et fermer la porte principale, et ainsi entrer dans la forge et le donjon. La triste dépouille d'un malheureux visiteur pend sinistrement au-dessus de la lave liquide et avertit les indésirables du destin qui les attend s'ils croisent le chemin du Seigneur noir.

Juste à côté, les Orques préparent les prochains sièges de la Terre du Milieu. Boucliers, casques, outils, épaulières et lances sont forgés, affûtés et montés dans la rivière de feu provenant de la Montagne du Destin qui traverse le donjon.

À l'autre extrémité du donjon, Gollum™ se cache dans une petite grotte. Un recoin secret de la grotte est occupé par une araignée géante. On ignore si Gollum l'y a placée pour lui tenir compagnie ou pour le maîtriser. Alors que les Hobbits™ arrivent au terme de leur voyage, Gollum et sa parfaite connaissance des recoins les plus sombres du Mordor™ aident Frodon Sacquet et Samsagace Gamegie à ne pas se faire repérer tandis qu'ils se faufilent en territoire ennemi.

« Qu'est-ce que vous attendez ?
Lâchez-le ! »

- Samsagace Gamegie

GOLLUM™

FRODON SACQUET

SAMSAGACE GAMEGIE

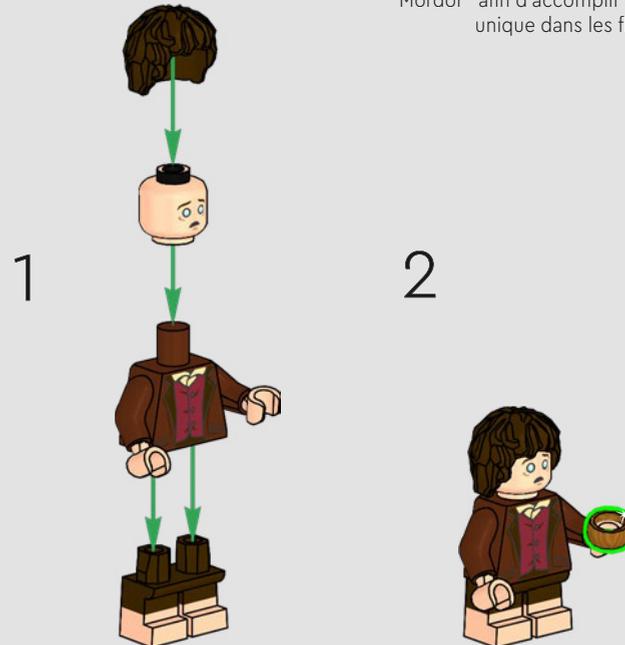

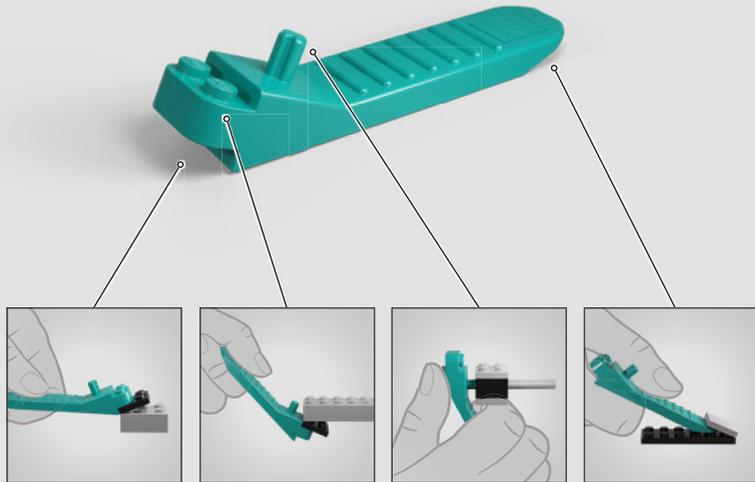

ORQUE

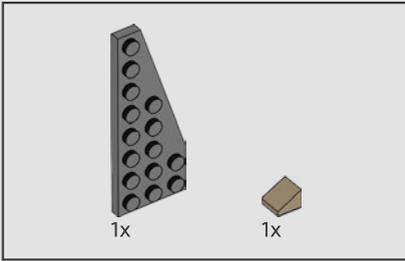

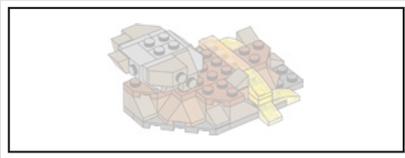

ORQUE

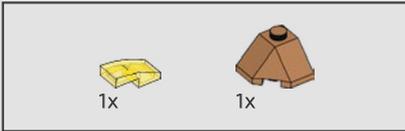

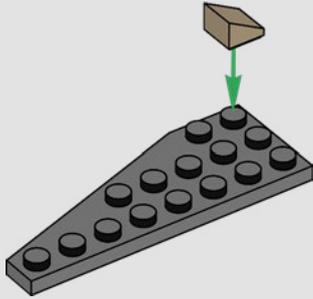

Frodon Sacquet avance péniblement sur le terrain difficile du Mordor™ afin d'accomplir sa quête visant à détruire l'Anneau unique dans les flammes de la Montagne du Destin.
